

TREAT YOURSELF

A special dining program at our community for your special occasion!

Treat Yourself is a special dining program that changes monthly. It features entrées such as tenderloin, lobster, rack of lamb and New York strip steak for almost half the cost of what you would pay at an upscale restaurant.

Spectrum Retirement Communities is using our immense buying power to purchase the highest quality meats and seafood and passing the savings on to our residents, family and friends.

Purchase these specials for a loved one, to celebrate a special occasion or more importantly to just treat yourself any day of the week.

Ask your server about this month's Treat Yourself special.
