

COMMUNITY UPDATE

Public Events Postponed and Community Programming Impact

Over recent weeks, Spectrum Retirement Communities have been carefully monitoring the progression of the coronavirus (COVID-19). After careful consideration, we have made the decision to postpone all public events held in our communities until further notice. Additionally, we are postponing all activity programming connected to external outings. We are also asking those who support our entertainment and programming to adhere to guidance provided by the Centers for Disease Control (CDC) in relationship to their visits to our communities. We apologize for any inconvenience this may cause, but right now our foremost priority is the health and safety of our residents and team members.

Though we do not currently have any cases of COVID-19 at any Spectrum communities, we are exercising an abundance of caution. The first step is to monitor and limit exposure to reduce the risk of infection. Thank you for understanding and for helping to protect the health and wellbeing of our community.

We will be in touch once we are able to reschedule any cancelled events and we look forward to welcoming you to the community at that time. If you are a family member and have questions about regularly scheduled family meetings or functions, please contact the community's Executive Director directly. To learn more about what Spectrum Retirement Communities are doing to stay safe, along with current information and resources provided by the CDC, please visit www.spectrumretirement.com.
